

MARIS PIPER

The WINE BOOK

Every great journey has a story to tell.

A story of landscapes, of cultures, of people and their pasts.

A story that stirs the senses with sounds, scents, flavours; colours and textures.

A bottle of wine is a story in itself: a story of love, passion and dedication.

An expression of great care and craft; a reflection of the land and seasons.

All captured in a single bottle, and kept under wraps until the time is just right.

My passion for wine takes me to many of the world's wonders and hidden gems.

The most exciting, unique, characterful and balanced bottles discovered along the way are noted here in this Winebook.

So really, this is a collection of short stories - each one a journey to be

shared with you. Be open, be curious, and prepare to be surprised.

Discover new experiences, relive old memories, and remember to tell the tale.

But most of all, enjoy the journey. One sip at a time.
